

# 2015 EQUITY SEATING PLAN GROUPED SELECTION REQUEST

This form is for Rams Club members who wish to have their seating selection time (and parking selection time, if appropriate) assigned to coincide with another Rams Club member appointed time. If you wish to have coinciding appointments with other Rams Club member(s), each member must return a completed copy of this form to The Rams Club by April 15, 2015.

## GROUP SEATING POLICY

If two or more members wish to choose seats together to guarantee adjoining seats, they may do so with appointment times based upon the priority of the member with the fewest membership points. All members involved in a grouping request must submit a completed form for the grouping to be made.

Note: Members may select their *seats* as a group (based on the lowest membership points), but may opt to select *parking* separately on an individual appointment time (based on each individual's membership points). Additionally, *parking* may be selected as a group and *seats* individually if the group so chooses.

Example of a grouping: If a member with 450 points wants to choose seats and parking with a member with 150 points, the appointment times will be based upon the member with 150 points. Each member in the grouping will be given a coinciding appointment time, but must still make their selections individually.
